

Join us at NAACCR 2025

NAACCR 2025 will be a truly unique opportunity to meet key decision makers and connect with a wide audience in cancer research and surveillance. We hope that you will join us as a key stakeholder for the NAACCR 2025 conference.

Custom sponsorship packages are also available by contacting the NAACCR Office at:
questions2us@naacccr.org

YOUR SPONSORSHIP:

- Strengthens existing relationships and develops new ones.
- Showcases your products and services.
- Connects your organization with leaders and decision makers within the cancer surveillance community.
- Is critical support of NAACCR in its mission to make every cancer count.

HARTFORD NAACCR 2025

Honoring the Past, Embracing the Future.

The North American Association of Central Cancer Registries would like to personally invite you to participate in the NAACCR 2025 Annual Conference as a sponsor and/or exhibitor. The annual NAACCR scientific conference is a premier event for cancer registry professionals.

This gathering will bring together approximately 400 NAACCR members and stakeholders from U.S. and Canadian cancer registries, universities, and other research institutions. Participants will gather to share insights, discuss emerging trends, and advance the field of cancer data collection and analysis.

Each NAACCR conference is a unique opportunity to meet key decision makers and connect with a wide audience in cancer research and surveillance. The NAACCR Annual Conference offers a range of sponsorship opportunities that will allow you to enhance your profile with NAACCR members and other attendees and to show your support of NAACCR's Mission.

We hope that you will join us in Hartford in June at the NAACCR 2025 Annual Conference as a key stakeholder as we work to make every cancer count.

NAACCR Mission

The North American Association of Central Cancer Registries, Inc. (NAACCR, Inc.), is a professional organization that develops and promotes uniform data standards for cancer registration; provides education and training; certifies population-based registries; aggregates and publishes data from central cancer registries; and promotes the use of cancer surveillance data and systems for cancer control and epidemiologic research, public health programs, and patient care to reduce the burden of cancer in North America.

General Information

Both exhibitors and sponsors are eligible for the NAACCR member early registration fee of \$625 per person for individuals who staff the booth for your organization. To assist you in avoiding the last-minute on-site registration rush, and to expedite your registration process, it is imperative that you pre-register all staff from your organization who will be attending the conference, whether attending the sessions or manning the booth space. We will then have their name badges and conference packet ready for you when you arrive to ensure a speedy and hassle free registration. Name badges will not be issued to non-registered exhibitor staff.
